## » Apology

Hey guys I just wanted to apologize about my post earlier about Boulder which I know is very sad. I just want to apologize to PETA and say I'm sorry for the things I said about them. I never meant for this to get so out of hand. I would just like to take back what I said.

I'm sorry.

The official apology is on my page I am very sorry for all that has happened and I made a mistake.
